20"	2000	140	●		

➔ Lined pipes, elbows, tees, instrument-tees, reducers, crosses and spacers in the dimensions DN15 to DN 500 and 1/2" to 20", according to DIN 2848/2874 and ANSI B16.5 in carbon steel and stainless steel lined with PTFE, PFA (virgin, antistatic, FDA conformity upon request) and PP-lining.

➔ PTFE nozzle-liner and PTFE-lined steel dip pipes.

➔ Expansion joints in PTFE as well as stainless steel expansion joints with PTFE-lining.

➔ We also manufacture special forms and dimensions according to your requirements.

We are certified acc. DIN EN ISO 9001:2000.

#### Pressure Equipment Directive (PED 97/23/EG):

All piping parts fulfil the requirements of the PED and will be delivered with CE marking.
